ADVANTAGES

- Fast and easy battens installation
- Easy to handle and simple to cut
- Standard length 16', also available in 12' and 8'

BUILT TO LAST

DURABILITY & SIMPLICITY

1. ALUMINUM

Recognized as the industry’s first choice for its exceptional durability. Heavy duty extruded aluminum.

2. PRIMER COAT

Specially formulated primer coat assures optimal adhesion between aluminum and ink.

3. HD PRINTING

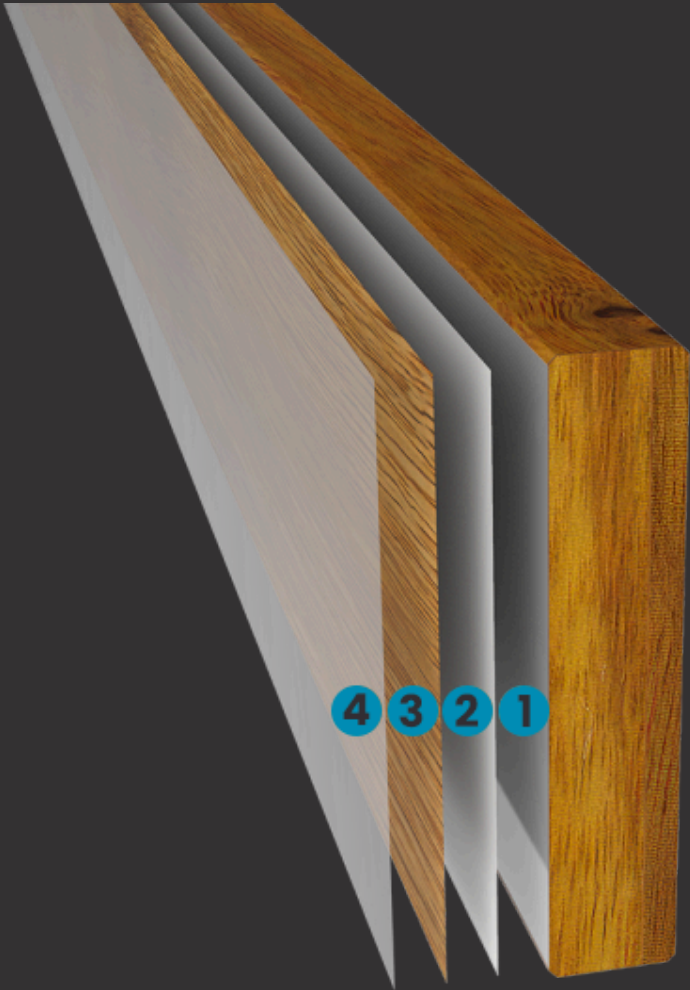

High-definition digital inkjet print of a wide range of textures with outstanding color variations.

4. UV CLEAR

A protective clear coat is applied to provide long-term protection against fading.
